## PROFESSIONAL SUMMARY

Second-year Computer Science student at the University of Sheffield with experience in tutoring. A dedicated student combining strong mathematical background with practical teaching experience and an active desire to learn.

## RELEVANT EXPERIENCE

**Levelling Up: STEM, BCS Tutor**                              January 2025 – Present
- Tutoring six students in A-Level Maths with some Computer Science themed sessions
- Implementing the programmes goal of: "helping a more diverse community of young people to learn about, access and prepare for computer science at university."

**Co-founder and Tutor – Quanta Academy Tuition Company**        April 2024 – July 2025
- Tutored A-Level Computer Science
- Created and maintained the company's web presence
- Developed a prototype platform with Django but left due to concerns over the viability of the software engineering in the limited environment.

**Student Ambassador – University of Sheffield**                December 2023 – Present
- Networked with prospective students and parents
- Helped run sessions for both First Years and College Students in an outreach event
- Represent the Computer Science department and the University to potential applicants

**Customer Assistant – CEX**                                    May 2024 – August 2024
- Developed excellent communication and interpersonal skills
- Demonstrated ability to work effectively in a team

## EDUCATION

**University of Sheffield** – BSc Computer Science              September 2023 – Present
- Achieved a First in my first year
- Achieved a First in my second year

**Ashton Sixth Form College**                                   September 2021 – June 2023
- A* Mathematics
- A Further Mathematics
- A* Computer Science
- A Economics
- A* Extended Project Qualification (EPQ)

## SKILLS

- **Teaching:** Tutoring experience, student engagement, clear communication
- **Technical:** Strong mathematical foundation, programming (Python, Ruby, Java, JavaScript)
- **Personal:** Leadership, initiative, time management, team collaboration
